

RECOGNIZING THE IMPACT OF THE DISPROPORTIONATE PRESCRIBING OF POLYPHARMACY PSYCHOTROPIC MEDICATIONS IN FOSTER CHILDREN

Featuring the documentary: *Recovering Innocence*

CELEBRATE NATIONAL FOSTER YOUTH VOICE MONTH!

A free event for foster teens, foster parents, social services and health care providers, and community members!

Recovering Innocence Screening:

The documentary, *Recovering Innocence*, was made almost entirely by foster youth and explores the risks of psychotropic medications and alternative ways to heal.

About The Event:

Join us for a screening of *Recovering Innocence*, created in Los Angeles by foster care-impacted youth through Kids In The Spotlight. The screening will be followed by a live panel discussion with healthcare experts, social service providers, and youth advocates. Informational resource tables will be available.

2.5 CEUs will be awarded.

Meet the author and join a free book giveaway from filmmaker Kyshawna Johnson's memoir, *DNA Exchange: The Pain Of Being A Foster Child*.

"You lose yourself when you take these medications. You don't know who you really are."

-- Kyshawna Johnson,
Youth Filmmaker
