

Managing Suicide Risk in Healthcare Settings: A Virtual Clinical Workshop

Although providers from all disciplines are welcome, only CEU's for LCSWs will be provided. Certificate of completion available upon request for all attendees.

**To register for 1 of
the 4 free
workshops this
summer:**

Led by:

Dr. Raymond Tucker

Associate Professor of Psychology
Louisiana State University
Director of the
National Suicidology Training Center (NSTC)

A workshop designed to provide an overview of clinical management strategies when patients are experiencing suicidal thoughts, including suicide safety planning, means counseling, and the Caring Contacts Intervention
